

## EXTENSIONS OF REMARKS

### RECOGNIZING THE 30TH ANNIVERSARY OF VICTIMS SERVICES CENTER OF MONTGOMERY COUNTY

**HON. JIM GERLACH**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, June 8, 2005*

Mr. GERLACH. Mr. Speaker, I rise today to recognize Victim Services Center (VSC) of Montgomery County, Inc. on its 30th anniversary.

In 1974, a group of five women from Montgomery County, Pennsylvania organized VSC, then called Women Against Rape, due to concerns over the lack of a sensitive and uniform response to victims of sexual assault. As awareness of sexual assault grew, the need to recognize that both men and women are victims, and that both sexes can contribute to the solution, transformed the agency into what was known as the Rape Crisis Center. In 1985, additional services were added to support victims of other serious crimes, including a victim witness program. To reflect this expansion of services, the name of the organization was subsequently changed to Victim Services Center of Montgomery County, Inc. and it is thus known today.

Victim Services Center has become a comprehensive crime victims organization that provides free, confidential 24-hour crisis intervention, advocacy, and counseling service to victims of crime and safety education programs to schools from preschool to college. It likewise provides outstanding training services to professionals and law enforcement personnel.

Approaching nearly 30 years of service, Victim Services Center has achieved a exemplary reputation in Montgomery County for confidential, supportive services that have aided thousands of people seeking help. Without the presence of Victim Services Center in the community, crime victims would be left to fend for themselves through a maze of government agencies and court proceedings, while also having to cope with the trauma of criminal victimization.

Mr. Speaker, I ask my colleagues to join me today in recognizing Victim Services Center of Montgomery County, Inc. on its 30th anniversary. The VSC's tremendous efforts in aiding victims of sexual assault and other crimes have truly made a difference in our community.

### TRIBUTE TO DAVE CARLSON ON THE OCCASION OF HIS RETIREMENT FROM THE CITY OF RIVERSIDE FIRE DEPARTMENT

**HON. KEN CALVERT**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, June 8, 2005*

Mr. CALVERT. Mr. Speaker, I rise today to recognize and honor Fire Chief Dave Carlson

for his dedicated service to our country and our community. Mr. Carlson recently retired as the Fire Chief of the city of Riverside, California. He has protected our citizens as a warrior and fireman over a 39-year career in public service.

Dave grew up in Sacramento and graduated from Luther Burbank High School in 1966. Two weeks later he enlisted in the Navy to pursue his childhood dream of becoming a "frogman." Dave graduated from Underwater Demolition/SEAL training and went on to serve two tours of duty in Vietnam. In 1972 he became a firefighter in Santa Barbara County, California. Dave worked his way through the ranks and became a Battalion Chief in 1981. Constantly striving for self improvement, Dave attended college on his days off. He earned a Bachelor's Degree in Public Service Management and a Master's Degree in Public Administration from the University of La Verne. In 1991, Dave became the Fire Chief in the City of Norco, California. In 1994, he became the Deputy Fire Chief of the City of Riverside and in 1996 he was appointed Fire Chief.

Dave Carlson is always looking for innovative ways to provide better public safety service to the community. In 1999 he implemented a paramedic program through a joint partnership with American Medical Response and the Riverside County Medical Services Agency. This partnership resulted in a higher level of emergency care and faster emergency response at no cost to the City of Riverside's general fund.

Throughout his career, Dave has served in professional and public organizations. He has always been active in the California Fire Chiefs' Organization, serving a two-year term as President from 2000 to 2002. He is also the Chair of the Department of Corrections Citizens' Advisory Committee for the California Rehabilitation Center. In 2004, Dave's accomplishments were justly recognized when he received the Distinguished Public Service Career Award from the City of Riverside and was named the "Fire Chief of the Year" by the California Fire Chiefs' Association.

Fire Chiefs such as Dave Carlson provide a remarkable level of protection to our communities. They work just as hard at preventing fires and accidents as they do in responding to them. Dave has had an exceptional career keeping our community safe. He has earned my many thanks and I wish him great success in all his future endeavors.

### RECOGNIZING ALOK WADHWAN

**HON. ZOE LOFGREN**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, June 8, 2005*

Ms. ZOE LOFGREN of California. Mr. Speaker, I rise today to recognize Alok Wadhvani for his award of Best Student Scenic Design in the 11th annual High School Music Theatre HONORS awards in San Jose.

This year, over 25 Bay Area High Schools competed in 10 unique categories. Judges from the American Musical Theatre were sent to each school to watch and evaluate performances. Judges were instructed to evaluate the quality of each production and performance, while keeping in mind each school's budget and available resources. This annual competition awarded four students who reside within California's 16th district.

Alok is a student from Valley Christian High School. He won the Best Student Scenic Design award for his work in "Godspell".

The High School Music Theatre HONORS awards promote artistic creativity in a way that is vital to a youth's development. The performances that these youth stage are extremely labor intensive, and promote discipline, team work, and dedication. High School Performing Arts programs are generally underfunded and have been greatly reduced in recent years. I recognize the hard work, time, and energy that these students and teachers put into these productions.

I am proud to stand here today and recognize Alok for his accomplishments. I urge him and all students to continue to take interest in the performing arts.

### INSURANCE OPTION HAS WORKERS PAY MORE

**HON. DENNIS J. KUCINICH**

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, June 8, 2005*

Mr. KUCINICH. Mr. Speaker, I wish to bring the following article on associated health plans to the attention of my colleagues. We must continue to work to bring health care coverage to the more than 45 million Americans who are uninsured. This article clearly shows that associated health plans are not the solution. I will continue to push for the adoption of a truly comprehensive and universal, single-payer health care program.

INSURANCE OPTION HAS WORKERS PAY MORE

(By Ricardo Alonso-Zaldivar)

For years, they were the kinds of health insurance plans one found at small businesses or among the self-employed, plans that had huge deductibles and required workers to pay a lot of medical bills themselves—such as allergy shots, chest X-rays and the cost of a new baby.

They weren't the policies most people preferred, but they were the best some people could afford, better than no insurance at all.

Now, as medical costs keep climbing, those high-deductible plans are spreading to the giant corporations that have long been the backbone of traditional job-related, low deductible health insurance. And if the trend continues, it could reshape the medical insurance landscape and sharply redistribute costs, risks and responsibilities for many of the 160 million Americans with private coverage.

A number of large employers, including defense contractor Northrop Grumman Corp.,
